About Alina

Alina Homecare passionately believes that care is best when you're at home. We can help your children, your dad, your mum, your neighbour or yourself to live independently in familiar homely surroundings and be part of the local community.

a alina homecare *Care at Home*

Home care gives elderly people options to stay in control of their lives and independence for as long as needed. We deliver high quality care that is safe, compassionate and personalised, including live-in care for reassurance night and day.

a alina homecare *Disability Support*

We support people with a range of learning disabilities, including autism and mental health needs who live independently and in supporting living accommodation. Everyone we support receives the specialist care they need and deserve.

a alina homecare *Complex Care*

Our complex health care teams support people with a wide range of health conditions. These may be physical or emotional and present a variety of needs which require specialist nurse led support.
